This is how you do it: you sit down at the keyboard and you put one word after another until it's done. It's that easy, and that hard.

Neil Gaiman

As a man lives and thinks, so he will write.

John Galsworthy

The purpose of a writer is to keep civilization from destroying itself.

Albert Camus

We are all apprentices in a craft where no one ever becomes a master.

Ernest Hemingway

The scariest moment is always just before you start.

Stephen King

There is no greater agony than bearing an untold story inside you.

Maya Angelou

You are not the next Stephen King. You are not the next Emma Bull. You are not the next anyone. You are the very first you.

Seanán McGuire

The first draft of anything is shit.

Ernest Hemingway
